

Curriculum Vitae

First Name: Amir

Last Name: Bahrami

Date of Birth: January 26, 1954

Place of Birth: East Azarbyjan

Sex: Male

Marital status: Married

Religion: Islam

Office Address: Imam Reza Medical center, Division of Endocrinology and Metabolism. Tabriz University of Medical Sciences, P. O. Box: 51335 – 1896 Tabriz, IRAN

Office phone: + 98. 0411 – 33357850

+ 98. 0411 – 35419899

Office Fax: + 98. 0411 – 33357850

E – mail: t.u.end.d@tbzmed.ac.ir OR endocrinology_tabriz@yahoo.com

PRESENT POSITION

Professor of Medicine and Endocrinology, Tabriz University of Medical Sciences

Chief, Division of Endocrinology and Metabolism Tabriz University of Medical Sciences

Director, Training Program in Endocrinology and Metabolism Tabriz University of Medical Sciences

Director, endocrine and metabolism research center Tabriz University of Medical Sciences (2010 – 2019)

Attending staff, Tabriz University of Medical Sciences, Imam Reza Medical center

EDUCATION:

Medical Sciences, University of Tabriz, faculty of Medicine 1973 – 1979

Internship University of Tabriz, Imam Khomeini Hospital 1979 – 1980

M. D., University of Tabriz, Imam Khomeini Hospital 1980 – 1981

Iranian Medical council License 1981

Resident in Internal Medicine, University of Tabriz, Department of Internal Medicine, University Teaching Hospitals University of Tabriz 1983 – 1985

Resident in Internal Medicine, Department of Internal Medicine, University Teaching Hospitals, University of Shiraz 1986 – 1987

Having passed the National Board Examinations in Internal Medicine 1987.

National Board certification in Internal Medicine 1987

Fellow in Endocrinology and Metabolism, common program in fellow Training in Endocrinology and Metabolism, Tehran, Iran, and shahid Beheshti Universities of Medical sciences 1989 – 1992

Having passed National Board Examinations in the subspecialty of Endocrinology and Metabolism 1994

National Board certification in the subspecialty of Endocrinology and Metabolism 1994

Having passed the workshop on research Methodology held by Ministry of Health, Education and Treatment, Research Council, Ramsar 1988

Having passed the workshop on teaching skills held by Tabriz University of Medicine Sciences, Tabriz 1995

Having passed the workshop on advanced techniques of Research Methodology held by Endocrine and Metabolism Research center, Shahid Beheshti University of Medical Sciences 1995

Having passed the Medical writing workshop held by Tabriz University of Medical Sciences 1994

ACADEMIC EXPERIENCE:

Assistant Professor of Medicine, Tabriz University of Medical sciences, Tabriz 1987 – 1998

Attending Staff, Teaching Hospitals, Tabriz University of Medical Sciences 1987 – present

Associate Professor of Medicine and Endocrinology, Tabriz University of Medical Sciences 1999 – 2007

Professor of Medicine and Endocrinology, Tabriz University of Medical Sciences 2008 –present

Visiting scientist, University of Toronto, Department of Medicine, Division of Endocrinology and Metabolism, and thyroid research center, 1992 – 1993

Instructor in Medicine and Endocrinology Tabriz University of Medical Sciences 1993 – present

ADMINISTRATIVE EXPERIENCE

Associate chief, Department of Medicine, Tabriz University of Medical Sciences 1987 – 1989

Chief Department of Medicine, Tabriz University of Medical Sciences 1993 – 1994

Chief Division of Endocrinology and Metabolism 2014 – 2017

Program director, Division of Endocrinology and Metabolism, Tabriz University of Medical Sciences 1994 – present

Chief, Endocrine clinics, Tabriz University of Medical Sciences 1994 – 2001

Chief Department of Medicine, Tabriz University of Medical Sciences 2013 – present

VISITING OPPORTUNITIES

Visiting Scientist; Department of Medicine, Division of Endocrinology and Metabolism, Sunnybrook Health Sciences center, Welsely Hospital, Thyroid research center, University of Toronto, Toronto. Canada. 1992 – 1993

MEMBERSHIPS:

Member of Iranian society of Internal Medicine 1989 – present

Member of Iranian society of Endocrinology and Metabolism 1992 – present

Member of the Endocrine society 1997 – present

Member of Iranian Medical council 1981 – present

Manager of Iranian society of Internal Medicine, Tabriz Branch 1999 – present

Member of Scientific Manager of Iranian Diabetes Association, Tabriz Branch 1998 – present

Member of Iranian Board of Internal Medicine 1998 – 2001

Member of National Board Examinations for Fellow Selections in Endocrinology and Metabolism 2002 – present

Member of Iranian Board of Endocrinology and Metabolism 2002 – present

Executive Manager of Iranian Medical council, Tabriz Branch 2001 – 2004

Member of Research council of Tabriz University of Medical Sciences 1994 – 1996

Member of teaching council of Tabriz University of Medical Sciences 1993 – 1994

Member of committee in the subspecialty of internal medicine, National Research Center for Medical Sciences, I.R Iran 2004 - continued

EDITORIAL POSITIONS:

Editorial Board, Iranian Journal of Endocrinology and Metabolism 1998 – present

Editorial Board, Iranian Journal of Diabetes and Lipids 2002 – present

Editorial Board, International Journal of Endocrinology and Metabolism 2003 – present

Editorial Board, Medical Journal of Tabriz University of Medical Sciences 2005 – present

SCIENTIFIC REVIEWER FOR:

Medical Journal of Tabriz University of Medical Sciences 1994 – present

Medical Journal of Ardabil University of Medical Sciences 2002 – present

Medical Journal of Tehran University of Medical Sciences 2000 – present

Iranian Journal of Medical Sciences 1994 – present

Iranian Journal of Endocrinology and Metabolism 1998 – present

Iranian Journal of Diabetes and Lipids 2002 – present

International Journal of Endocrinology and Metabolism 2003 – present

Journal of Research in Medicine, Shaheed Beheshti University of Medical Sciences, 1995 – present

The Journal of Urmia University of Medical Sciences 1999 – present

HONORS:

1) Number one Award of Tabriz University of Medicine Sciences for Earning the first Rank in the National Board Certification Examination in Internal Medicine in 1987

2) Number one Award of Medical Graduates of Tabriz University of Medicine Sciences for being nominated as “distinguished teacher” in 1988, 1994, 1997

3) Number one Award of Medical students of Tabriz University of Medicine Sciences for being nominated as “distinguished teacher in pathophysiology course” in 1989, 1994, 1998

4) Number one Award of Medical students of Tabriz University of Medicine Sciences for being nominated as “distinguished bedside teacher” in 1996, 2001

5) Award of Tabriz University of Medicine Sciences for being nominated as “distinguished physician” in 1995

- 6) Award of Tabriz University of Medicine Sciences for being nominated as “distinguished teacher” in bedside Medicine 1999
- 7) Number one Award of Residents of Internal Medicine for being nominated as “distinguished teacher” 2001
- 8) Number one Award of Medical council of Medical services organization, East Azarbaijan Branch, for being nominated as “one of the Best Doctors in Tabriz” in 2004
- 9) Award of Medical council of Islamic Republic of Iran, Tabriz organization for being nominated as “distinguished physician” in 2004
- 10) Award of diabetes investigations, Best Diabetes Scientist 2013 in Iran
- 11) Award of Medical council of Islamic Republic of Iran, Tabriz organization for being nominated as “distinguished physician” in 2014
- 12) Award of distinguished professor in education, Tabriz University of Medicine Sciences 2014
- 13) Number one Award of Medical council of Medical services organization, East Azarbaijan Branch, for being nominated as “one of the Best Doctors in Tabriz” in 2016

PUBLICATIONS:

BOOKS:

- 1) Translation of “Endocrine pathophysiology” to Farsi 1994
- 2) Translation of “Thyroid Diseases, the facts” to Farsi 1995
- 3) Translation of “Physician’s Guide to Diagnosis, prevention and Treatment of osteoporosis” to Farsi 2002
- 4) Translation of “Degowin’s Diagnostic Examination” to Farsi 2002
- 5) Editor of “Adrenal Disease; pathophysiology, Diagnosis, and Treatment 2004” 2001
- 6) Editor, sections on adrenal cortex and Endocrine hypertension. In Endocrine disorders, first edition by F. Azizi, B. Larijani, F. Hosseinpanah. 2007 Publisher Iranian Endocrine society

CONGRESSES

NATIONAL

- 1) Bahrami A: Articular involvement in human Brucellosis. The first congress of Iranian society of internal Medicine April 1989 Tehran Iran
- 2) Bahrami A: Hypercalcemia of primary hyperparathyroidism Masked by co-existing hypothyroidism. The second congress of Iranian society of Internal Medicine. April 1995 Shiraz Iran
- 3) Bahrami A: Spontaneous disappearance of solid thyroid nodules following fine needle Aspiration. The 6th congress of Iranian society of Internal Medicine June 1995 Tabriz Iran
- 4) Bahrami A: et al. Role of FNA in the diagnosis and management of thyroid nodules, report of results in 1000 cases. The 8th congress of Iranian society of Internal Medicine. April 1998 Guilan, Rasht
- 5) Bahrami A: Serum Lipid changes in 620 patients with type 2 DM. The 8th congress of Iranian society of Internal Medicine. April 1998 Guilan, Rasht

- 6) Bahrami A., Aghamohammadzadeh N: The study of Metabolic effects of Metformin in type 2 diabetic patients with secondary sulfonylurea failure. The 8th congress of Iranian society of Internal Medicine. May 12 – 15 1998 Guilan, Rasht
- 7) Bahrami A: et al. The effects of smoking on serum thyroid hormone concentrations, thyroglobulin, Goiter size and ophthalmopathy in patients with Graves' disease The 9th congress of Iranian society of Internal Medicine May 1999 Tehran Iran
- 8) Bahrami A: Renal stone disease in Iranian hyperparathyroid patients. The sixth congress of Iranian urological Association June 18 – 21 2003 Tehran Iran
- 9) Bahrami A., Ashtiani, L: Long term results of follow up of women with postpartum thyroiditis. The 14th congress of Iranian society of Internal Medicine 19 – 22 May 2003 Tehran Iran
- 10) Bahrami A., Abedimoghaddam, AR: Long term results of bilateral adrenalectomy for Cushing's disease. The 14th congress of Iranian society of Internal Medicine 19 – 22 May 2003 Tehran Iran
- 11) Bahrami A., Ghazizadeh, F: Long term results of antithyroid therapy of Graves' hyperthyroidism after iodization of salt in the country, possible role of iodine supplementation in an increase in relapse rate the 15th congress of Iranian society of Internal Medicine 1 – 4 May 2004 Tehran Iran
- 12) Bahrami A., Ainetchi, S: Etiology, clinical features, laboratory finding, and diagnostic problem in hypoparathyroid patients. The 15th congress of Iranian society of Internal Medicine 1 – 4 May 2004 Tehran Iran
- 13) Bahrami A., et al. The study of the level of awareness of diabetic patients from their disease The 4th National congress of Nutrition. October 1996 Tehran Iran
- 14) Bahrami A., The spectrum of endocrine tumors. The experiences of endocrine clinics of Tabriz University of Medicine Sciences. The 11th annual congress of Institute of cancer, Endocrine tumors. March 1999 Tehran Iran
- 15) Ghaemmaghami H., Abolfathi AK., Bahrami A: The role of serum fructosamine in determining glycemic control in diabetic patients. The third National congress of biochemistry and laboratory Medicine. September 1995 Tabriz Iran
- 16) Bahrami A: Gynecomastia and acanthosis nigricans in a patient with CAH. The 6th Iranian congress of Internal medicine. 1995 Tabriz Iran
- 17) Bahrami A: Anabolic therapy of osteoporosis. Abstract book of osteoporosis seminar. 2001 Tehran Feb. 1st Pp 63 - 67

CONGRESSES

INTERNATIONAL

- 1) Azizi F., Kimiagar M., Nafarabadi MT., Bahrami A: Normalization of serum thyroglobulin and thyroid function test two years following iodized oil injection. The second international congress on Endocrine disorders. May 12 – 14 1992 Tehran Iran

- 2) Bahrami A: Is low doses of methimazole safer than high doses with regard to agranulocytosis? The 4th international congress on Endocrine disorders. Nov. 20 – 22 1996 Tehran Iran
- 3) Rajaei M., Bahrami A. et al. The study of phagocytosis in type 1 diabetic patients. The 4th International congress of Allergy and Immunology. May 1999 Isfahan Iran
- 4) Bahrami A: Thyrotoxic periodic paralysis (TPP) in Iranians. The 10th Asia – Oceania congress of Endocrinology. Oct. 30th – Nov. 3rd 1994 Beijing China
- 5) Bahrami A: advanced bone disease as the most common clinical presentation of primary hyperparathyroidism in Iranians. The 5th International congress of Endocrine Disorders 6 – 9 Sep. 1999 Tehran Iran
- 6) Bahrami A., Islamian F., Thyrotoxic periodic paralysis in Iran: A decade of experiences on clinical features, laboratory findings, predisposing factors, diagnosis, and treatment of 53 cases. The 6th International congress of Endocrine Disorders. Oct 5 – 9 2001 Tehran Iran
- 7) Bahrami A., Montazeri V., Ismaeili HA., Eshraghi Y. et al. FNA of thyroid nodules; comparison of FNA cytology result with post-thyroidectomy nodule histology in 432 patients. The 6th International congress of Endocrine Disorders. Oct 5 – 9 2001 Tehran Iran
- 8) Bahrami A., The effect of smoking on duration of remission of hyperthyroidism of Graves' disease after long term treatment with thionamides. The 13th congress of Iranian society of Internal Medicine. 29 April – 2 May 2002 Tehran Iran
- 9) Dabiri S., Bahrami A., Aliaskarzadeh A., et al: Evaluation of metastatic differentiated thyroid carcinoma with Tc ^{99m} – MIBI. The 7th International congress of Endocrine disorders. Oct. 8 – 11 2004 Tehran Iran
- 10) Rahbani M., Bahrami A., et al: Correlation between serum levels of cholesterol and homocysteine with oxidative stress in hypothyroid patients. The 7th International congress of Endocrine disorders. Oct. 8 – 11 2004 Tehran Iran
- 11) Bahrami A., Nikniaz AR., et al: Prevalence of vitamin D deficiency in an urban adult population, in Tabriz city. The first International Seminar on Prevention Diagnosis and Treatment of Osteoporosis. Sept. 23 – 24 2004 Tehran Iran
- 12) Bahrami A., Nikniaz AR., et al: Bone Mineral Density (BMD) of the spines and hip in an urban adult population: Population based study in Tabriz city. The 7th International congress of Endocrine disorders. Oct. 8 – 11 2004 Tehran Iran
- 13) Bahrami A., Nikniaz AR., et al: The relationship between BMI and prevalence rate of osteopenia and osteoporosis in an urban adult population. The 7th International congress of Endocrine disorders. Oct. 8 – 11 2004 Tehran Iran
- 14) Bahrami A: High Prevalence of impaired glucose tolerance and type 2 DM in patients with PCOS. The 7th International congress of Endocrine disorders. Oct. 8 – 11 2004 Tehran Iran

- 15) Mir E, Hossein-nezhad A, Bahrami A, Bekheirnia MR, Shafahi AR, Larijani B. Adequate serum copper concentration could improve peak bone mass and postpone bone loss in women. طرح ها و پایاننامه ها

۱. مطالعه سیستماتیک بررسی نقش Micro RNA در تشخیص و تظاهرات بالینی و سیر بیماری آکرومگالی
۲. فاکتورهای پیش گویی کننده قطع موفق لووتیروکسین در بیماران مبتلا به هیپوتیروییدیسم اولیه
۳. بررسی ارزش تشخیصی Sest-amibi در لوکالیزاسن قبل جراحی ضایعات پار تیروئید در بیماران مبتلا به هایپر پاراتیروییدیسم اولیه
۴. بیماری های اتوایمیون تیروئید در زنان سنین ۳۵ تا ۴۵ سال بر اساس داده های آذر کوهورت

۵. بررسی همخوانی بین یافته های سونوگرافی ، سیتولوژی آسپیراسیون سوزنی (FNA) و هیستوپاتولوژی در ندولهای تیروئید
۶. عوامل موثر در پیدایش هیپوتیروئیدی خود بخودی در بیماران گریوز درمان شده با داروهای آنتی تیروئید
۷. بررسی موتاسیون BRAF در کانسر پاپیلری تیروئید و ندول های تیروئید
۸. تاثیر پلی مورفیسم ژن آنزیم تبدیل کننده آنژیوتانسین (ACE) در بروز مقاومت به انسولین در خانمهای با سندرم تخمدان پلی کیستیک
۹. ارتباط سطح سرمی ویتامین D با مرگ و میر در بیماران مبتلا به بیماری مزمن کلیوی: مرور سیستماتیک و متا آنالیز دوز پاسخ بر روی مطالعات کوهورت آینده نگر
۱۰. بررسی تمایز سلولهای بنیادی مشتق از بافت آدیپوز به سلولهای بتای پانکراس با تاثیر داروی امپاگلیفلوزین با استفاده از داربست کیتوزان
۱۱. بررسی رابطه سطح ۲۵هیدروکسی ویتامین D با بروز دیابت حاملگی (GDM)
۱۲. ارزیابی سطوح سرمی کورتیزول، ویتامین D و هورمونهای تیروئیدی در افراد مبتلا به Covid-19 بهبود یافته و فوت شده
۱۳. مقایسه متابولیسم گلوکز و انسولین در بیماران هایپوتیروئید با سطح تیروتروپین کمتر و بالاتر از ۱۰ میلی واحد در لیتر
۱۴. بررسی تاثیر درمان با ویتامین D بر سطح TSH در زنان با هیپوتیروئیدیسم ساب کلینیکال دچار کمبود ویتامین D
۱۵. برنامه جامع ثبت ندول های تیروئیدی در استان آذربایجان شرقی
۱۶. بررسی تاثیر سطوح هورمون های محور هیپوتالاموس – هیپوفیز – گناد (HPG) در زنان یائسه بستری در ICU بر مدت بستری و میزان بقا و عوارض
۱۷. اثر متفورمین بر عملکرد تیروئید در بیماران با سندرم متابولیک و هیپوتیروئیدی تحت بالینی همزمان
